

Taking a Quiz

Lecturer can setup online quizzes, tests, and exams generally under the active Moodle course. Student can then find the online quizzes in Moodle course once published by lecturer.

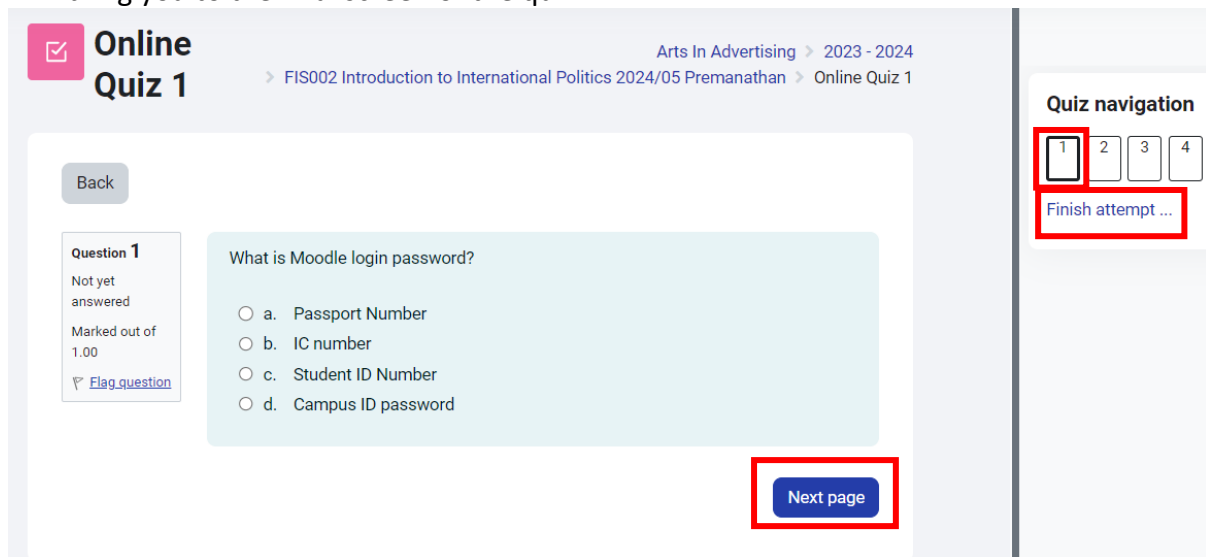

1. To take a quiz, click on the link for the test in the appropriate section of your Moodle course page and click **Attempt quiz**.

The screenshot displays the Moodle course interface for 'FIS002 Introduction to International Politics 2024/05' by Premanathan. The top navigation bar includes 'Course', 'Participants', 'Grades', and 'More'. The course page shows a 'General' section with a 'Collapse all' link. Under 'General', there are two activity cards: 'Presentation on week 6 (at 8am MAY 6, 2024)' and 'The following Classes will be postponed (10 & 17 May 2024) Forum'. Below these is a section for '2 May - 8 May' (This week), which contains 'Online Quiz 1' and 'Assignment May 2024'. The 'Online Quiz 1' card is highlighted with a red box. The 'Assignment May 2024' card has 'Done: Make a submission' and 'Done: Receive a grade' buttons. Below the course page, the 'Online Quiz 1' page is shown, featuring a 'Mark as done' button, a link to 'Online Quiz 1', and a blue 'Attempt quiz' button, which is also highlighted with a red box. The grading method is noted as 'Highest grade'.

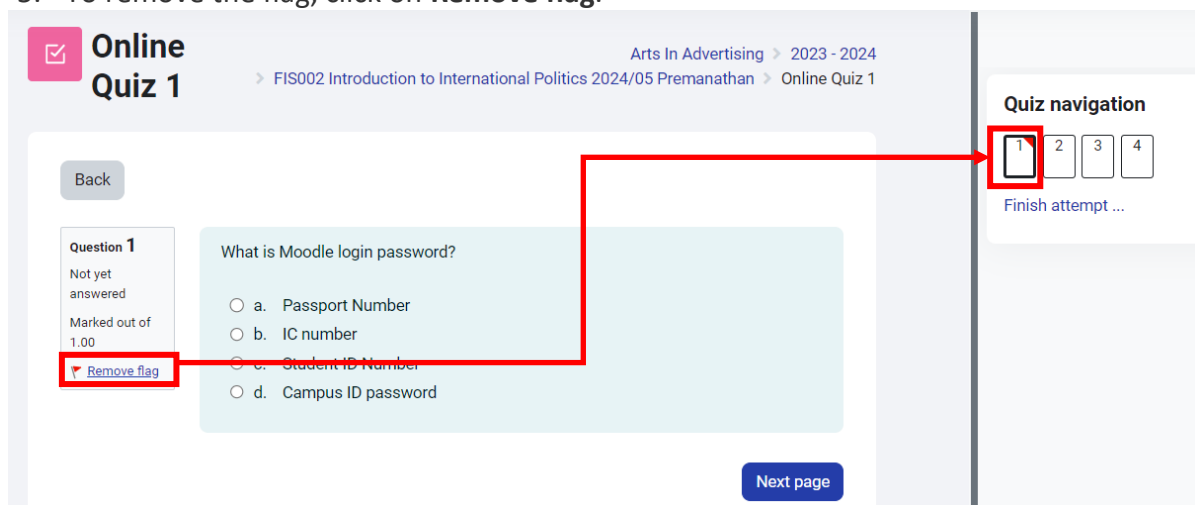

2. If the quiz covers multiple pages, you will need to click the **Next page** to see the next page. This will automatically save your answer.

3. You can keep track of where you are in a quiz by looking at the **Quiz Navigation** window. **A black line highlight** is the number you are currently on. Clicking on any number in the navigation window will bring you to that question. Also, clicking on **Finish Attempt** will bring you to the final screen of the quiz.

4. If you want to flag a question to look at later, click on the **flag icon** next to the questions. The flag will turn red and the corner of the question's box in the navigation window will also turn red.
5. To remove the flag, click on **Remove flag**.

6. After the last question, you will be taken to a **Summary of attempt** window. This will show you whether or not you have answered all of the questions in the test and any flags you may have set. You can go back to any of the questions simply by clicking on the question number.
