

How to Check and Search for your Approved Course

1. At **Dashboard**, select the **notification icon** as below, you will see a prompt message displaying **"Your course has been approved!"** in **Notifications** drop down list.

Note: Lecturer course request will be attended and approved or rejected (insufficient information provided) within 2 working days.

2. To view your approved course, go to **My courses**. At **Course overview**, select the **"All"** filter (exclude courses which are Removed from view).
