

Hide an Activity or a Resource in Moodle

Lecturers can hide activities or resources from students. The course can be unhide when required.

1. Go to the activities or resources you would like to hide.

2. Click on ⓘ and select **Hide** from drop-down.

▼ 27 February - 4 March ✎

The screenshot shows a Moodle course interface. At the top, there is a section for '27 February - 4 March'. Below this, there is a 'FOLDER' labeled 'Folder Sample'. To the right of the folder, there is a 'Mark as done' button and a dropdown menu icon (ⓘ). The dropdown menu is open, showing options: 'Edit settings', 'Move', 'Move right', 'Hide' (highlighted with a red box), 'Duplicate', 'Assign roles', and 'Delete'. Below the folder, there is a button to 'Add an activity or resource'. Below this, there is a section for '5 March - 11 March' with another 'Add an activity or resource' button.

3. The selected section will be hidden and **Hidden from students** will highlighted below the activity.

▼ 27 February - 4 March ✎

The screenshot shows the same Moodle course interface as before. The 'Folder Sample' is now highlighted with a red box, and below it, the text 'Hidden from students' is displayed in a yellow box. The 'Add an activity or resource' button is still visible below the folder.

4. To unhide the hidden activity or resources, select ⓘ and **Show**.

The screenshot shows a dropdown menu for a hidden activity. The menu is open, showing options: 'Edit settings', 'Move', 'Move right', 'Show' (highlighted with a red box), 'Duplicate', 'Assign roles', and 'Delete'. The dropdown menu icon (ⓘ) is visible at the top of the menu.
