ABOUT THE PROGRAMME

The Bachelor of Arts in Communication offered by Xiamen University Malaysia is an outstanding programme that draws upon the rich history and expertise of Xiamen University in China. With a comprehensive curriculum that covers both theoretical knowledge and practical skills, our programme is designed to prepare students for success in the rapidly evolving field of communication. The Bachelor of Arts in Communication offered by Xiamen University Malaysia aims to equip students with the skills needed to create content that effectively resonates with a diverse audience, utilising a range of platforms including print, digital, audio and video. Through this programme, students will learn to develop persuasive messages that can inspire and encourage action, whether it be breaking important news, writing a press release, creating a national campaign, or organising a high-profile event. With a focus on both theoretical knowledge and practical experience, the Bachelor of Arts in Communication prepares students for careers in a variety of fields, including media, public relations, advertising, event management, and corporate communication. Graduates will be equipped with the skills and knowledge necessary to succeed in a rapidly evolving industry and make a positive impact in their chosen field.

PROGRAMME HIGHLIGHTS

- The programme sustains the role of communication both locally and globally in today's interconnected world.
