# WHAT WE DO

## 1. International Partnerships

We form links and connect with global universities that share similar goals, values, and missions to provide wider opportunities for our students and staffs.

## 2. Student Mobility

We work with universities from all over the world to promote internationalization among the university community, including facilitating arrangements for inbound and outbound students.

## 3. Postgraduate Study Progression

We coordinate students' applications for a Postgraduate Degree, including a master's program at our partner universities, namely the 3+1 and 4+1 Progression Program. Under this progression, students may be eligible for several partner-student privileges.

## 4. Events & Activities

We host and organize events and activities in collaboration with partner and non-partner universities to provide international exposure for our students, such as information sessions, webinars, and topic-specific guest lectures.

## 5. Postgraduate Degree Application Advice

We assist students who are interested in applying for postgraduate degrees by providing assistance regarding the application processes such as entry requirements, deadlines, and required documents.

# TESTIMONIALS

**Shaun Heng Zhi Chien**  
**MSc Business Management**  
**Cardiff University, UK**

“I have always been interested in business management and operations, seeking better understanding of how to run businesses, develop new business strategies and boost company expansion and that is what led me to applying for this specific master's degree in Business Management in Cardiff University. Global Marketing, Managing People, Analysing Financial Performance are some of the core modules which will be taught in this Business Management(MSc). With those modules, the university helped me to master handy knowledge and skills in the real world and contemporary workplace. Other than that, they also give me better understanding adapt to the workplace environment which is essential for my future career. Besides, Cardiff University also provides professional placement year, giving the opportunities for us to have work experience in the graduate employment market. In general, this university provides a good learning environment and academic tutoring for those students consider to study overseas.”

“The academic and social life at Cardiff University is incredibly enriching. At Cardiff, students can enjoy relatively low living costs and high-value student accommodation. Specifically, for my program, Software Engineering, all courses are structured with a focus on employability. They include extensive teamwork assignments and client projects, which significantly enhance one's experience and resume. In addition, Cardiff University offers a wealth of extracurricular activities, such as employment-related student events, various volunteering opportunities, and career assistance. Boasting a student union ranked in the top three for satisfaction in the UK, Cardiff University offers a diverse range of enriching extracurricular activities and vibrant club life for its students.”
