## About Us – Office of International Affairs

OIA mission is to seek partnerships with global universities that aids in providing our students a golden opportunity to achieve world-class education.

We engage effectively on the implementation of strategic plans to expand the internationalization of Xiamen University Malaysia.

## WHAT WE DO?

### 1. International Partnerships

We form links and connect with global universities that shares similar goals, values, and missions to provide wider opportunities for our students and staff.

### 2. Student Mobility

We work with universities from all over the world to promote internationalization among the university community including facilitating arrangements for inbound and outbound students.

### 3. Postgraduate Study Progression

We coordinate students' applications to a Postgraduate Degree including a master's program at our partner universities, namely the 3+1 and 4+1 Progression Program. Under this progression, student may be eligible for several partner-student privileges.

### 4. Events & Activities

We host and organize events and activities in collaboration with partner and non-partner universities to provide international exposure for our students such as information session, webinars, and topic-specific guest lectures.

### 5. Postgraduate Degree Application Advice

We assist students who are interested in applying for postgraduate degrees. In addition, clarifies problems regarding the application process such as deadlines, academic calendar, and differences between campuses.
