# NEW COLLABORATION

On 20 November 2023, Xiamen University Malaysia (XMUM) officially established a 3+1 Postgraduate Study Progression Pathway with the University of Birmingham.

Since 2021, Xiamen University Malaysia (XMUM) has always been in great partnership with the University of Birmingham under the Study Abroad Collaboration.

We are honored to share this new postgraduate collaboration, providing students from the School of Economics and Management the opportunities to further their studies in Master of Money Banking and Finance, Master of Economics, and Master of Financial Economics at the University of Birmingham.

Students are able to explore and broaden their educational spectrum. In the foreseeable future, this partnership will be continued with a greater variety of choices.
